### Quality - Assured Training Provider

Symbiosis solutions is a Registered Education Provider (R.E.P.) with the Project Management Institute, Inc. (PMI). This means that we have been reviewed and approved as a provider of project management training by the PMI.

### Aim of the Programme

PMP is widely recognized in the industry as the top certification for professionals. It is recognized the world over and this certificate demonstrates that you are competent, experienced, can deliver and lead projects with success.

Thus, this certificate amounts to almost a ready recommendation for top jobs for professionals. Studies have shown that you can achieve a 10-20% salary enhancement with such a certificate. Also this course would hone your existing knowledge, experience, competency and would raise your level of confidence in leading and directing projects.

### Eligible Participants

- 35 hours of project management education
- Participants with a 3 year Degree or Diploma must have 7,500 hours or 5 years of work experience in projects.
- Participants with a 4 year Degree must have 4,500 hours or 3 years of work experience in projects.

### About Training

- Complete review of PMBOK, 5<sup>th</sup> Edition with focus not only on memorization but understanding of processes and their Inputs Tools and Techniques and Outputs (ITTOs).
- Covering important sections of various Study Guides.
- Full of examples, exercises and real-world scenarios.
- Coverage of Knowledge gaps, which are not explained well in PBMOK / Rita Mulcahy.
- Sample Q&As with focus on WHY the correct choice is right and WHY the incorrect choice is wrong, hence developing the expertise to solve complex problems in the actual exam.
- Questionnaire after completion of each Knowledge Area.
- Exam tips and techniques to clear Certification.
- Planner to prepare for the exam.
- Complete PMP® Application assistance (Assistance with PMI® Registration, PMI® Membership & PMI® Application procedure).
- Assistance to face the PMP application audit process.
- Introduction to project management tools like Primavera and MS Project.
- End-to-end support via Telephone, E-mail and online.

### Offerings

- 35 PDUs required to take the PMI - PMP Certification Exam.
- Course material prepared according to PMBOK 5<sup>th</sup> Edition.
- PMP Math Formula sheet.
- Flash cards to remember the ITTOs.
- Access to 10 Full-Length Mock Exams featuring 2000 practice questions worth Rs.3000 for free up to six months from course completion date.
- The complete Participant Kit includes course material, a pen, pencil, Notebook and highlighter.
